OVERVIEW

The Actor Awards Presented by SAG-AFTRA is the only televised awards ceremony that exclusively honors actors in TV and film. Voted on by SAG-AFTRA's robust and diverse membership of 160,000+ performers, The Actor Awards has the largest voting body on the awards circuit and celebrates actors across 15 categories, including individual and ensemble performances of a motion picture, drama series and comedy series.

Beloved for its style, simplicity and genuine warmth, the show and its statuette of the same name, The Actor, are fundamental to the spirit of performers around the globe and is one of the industry's most prized honors since its debut in 1995. The Actor Awards airs exclusively on Netflix.
